

# Hi. I'm Heather!

## MOTIVATIONAL SPEAKER & MENTOR

Heather is a motivational speaker, serial entrepreneur, real estate investor and former FinTech executive. She is also the host of the [Mentors and Moguls Podcast](#) where professionals share their strategies for success and secret formulas for turning their passions into dream careers.

Since the sale of her and her husband's fintech business, Heather has expanded into areas of sustainability, investments, and philanthropy, and became Co-Founder of [Capstone Holdings LLC](#).

One of Heather's passions has always been mentorship for women which led her to create the Podcast to provide a platform for successful CEOs, entrepreneurs, pro-athletes, artists, and creatives to share their stories and offer access to their valuable mentoring & advice for goal-oriented individuals.

Heather continues to expand her mission to empower others through speaking engagements, mentoring, and full immersion adventures and retreats that are designed to help women step out of their comfort zones and understand that they are capable of just about anything.
